

810-5-1-.453 Issuance of License Plates by the Department of Revenue. **(REPEALED)**

1. Upon receipt of applications for apportioned registration, the Department of Revenue assigns and issues the license plates based on the information given on the application schedules. The Department of Revenue assumes no responsibility for any liability, damage, or enforcement action taken against the registrant as a result of the license plate assigned and issued the registrant. The registrant is responsible for securing the correct license plate classification (including weight classification) based on his operation of the vehicle and Alabama motor vehicle registration statutes. Upon receipt of the vehicle license plates and cab cards, the registrant must review the information shown on the cab card and check the license plate classification to ascertain whether he will be in compliance of law with the type use to be made of the vehicle. If not, it is the responsibility of the registrant to obtain the correct information and/or license plate classification by filing the appropriate schedules as shown in these rules.

2. Upon receipt of payment in full with certified funds and required supporting documents license plates issued under the International Registration Plan may be picked up at the office location of the International Registration Section, Motor Vehicle Division, Department of Revenue. If the registrant chooses to have the license plate(s) sent to his designated location via the United Parcel Service (UPS), the registrant must remit two dollars (\$2.00) in certified funds for each license plate to be so delivered.
